Dear Stephen:

On behalf of Ian and the PGAL Educational Team, I want to thank you and Clinton for the outstanding Civil Engineering services that you and your staff have provided PGAL over the last four years on our Palm Beach County School District projects. Allamanda Elementary School, Palm Beach Gardens Elementary School and Forest Park Elementary School have all been successfully completed to rave reviews and Whispering Pines Elementary School and Seminole Trails Elementary School are progressing nicely.

Your firm has been diligent in meeting project schedules and your attention to detail from a design and documentation standpoint has been outstanding. We look forward to continuing our working relationship with you for many years to come.

Once again, thank you for all of your hard work and dedication.

Sincerely,

Cathy Boyce
Principal
